

Island Lake Recreation Area

All programs meet at Spring Mill Pond

Friday July 18:

Mammal Mania, 1:00pm

Discover the types of animals living in your park or backyard and play some games to see what it takes to survive in the wild.

Oh Deer!, 3:00pm

Ever wonder why the deer keep getting in your garden and how to prevent it? Join us for some fun activities learning about the importance of Michigan deer.

Saturday July 19:

Wild Time, 1:00pm

1:00pm Spring Mill Pond

Learn how to identify animal tracks and scat so next time you see a track, you'll know what it is!

Predator vs. Prey, 3:00pm

Is life easier as a predator or prey animal? Find out what helps predators track down that prey and how the prey can get away.
